

- L'Écrit -

TECHNICAL SHEET

Length of Show : 50 minutes
Audience : All ages, 8 years old and over
Number of Spectators : 28 par performance
Schedule : 2 performances a day

TECHNICAL SUPPORT

LOCATION : Flat ground in an undisturbed, safe area to park the bus.

SIZE : H 3.2 metres / W 3 metres / L 13 metres

SPECIFICATION : The size of the bus and the space needed to turn it around must be considered to determine a suitable location for the show.

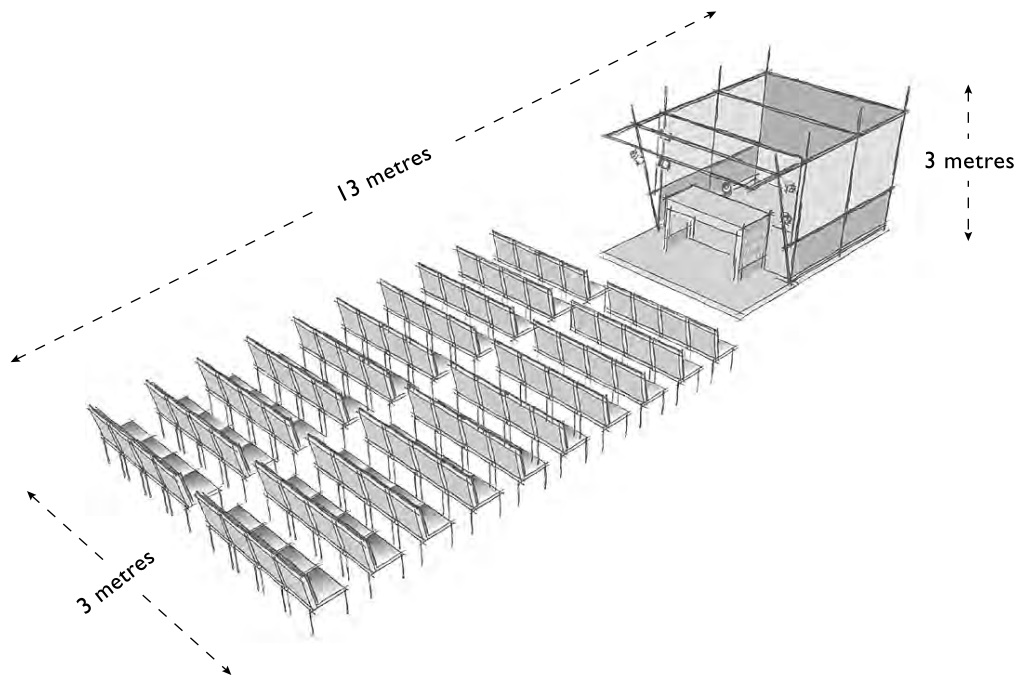

ELECTRICITY : Two independent 15 A electric circuits located close to the bus (40 metres maximum)

DRESSING ROOM : A dressing room with a restroom and bottled water must be available to Ubus Théâtre cast members.

SCHEDULE : During tours, the bus must stay two consecutive days at the same location to prepare for the show before the next stop.

ON STAGE

Length of Show: 50 minutes
Audience: All ages, 8 years old and over
Number of Spectators: 80 per performance
Schedule: 2 performances a day

TECHNICAL SUPPORT

LOCATION: A theater with stepped seating.

SIZE: H 3 metres / W 3 metres / L 13 metres

SPECIFICATION: An eight-hour day and two technicians are required for the assembly of the structure on stage. Ubus Théâtre supports installation of the structure, its settings and its lighting. The diffuser must assume the mounting of the room, the casing of the scene and provide a sound board.

DRESSING ROOM: A dressing room with a restroom and bottled water must be available to Ubus Théâtre cast members.
